

**Outlineoffungi.org - Note 308, [Neodiluviiicola](#)**

**[Neodiluviiicola](#)** W. Dong & H. Zhang

*Diluviiicola capensis* the type species of [Diluviiicola](#), is phylogenetically distant from *D. aquatica*. Therefore, *D. aquatica* was transferred to a new genus, [Neodiluviiicola](#) based on morphology and phylogeny (Dong et al. 2021) (M. Erdoğdu & W. Dong).
